SUMMARY

Software Engineer with backend development experience in REST APIs and enterprise systems, backed by a strong foundation in Java and object-oriented design.

EDUCATION

Dr. APJ Abdul Kalam Technical University   2025
Bachelor of Technology in Computer Science   *Gautam Buddha Nagar, Uttar Pradesh*

WORK EXPERIENCE

Associate Software Engineer   May 2025 - Current
Shineywise Technologies Pvt. Ltd.   *Noida, Uttar Pradesh*

- **Data Migration:** Handled large-scale data processing (30M+ records) using batch execution and optimized data mappings
- **Integration:** Designed integration layers between SAP and Salesforce systems using structured API contracts (RAML)
- **API & Integration Development:** Integrated DocuSign REST APIs and webhooks to automate document delivery, e-signature tracking, and status updates.
- **Backend Development:** Designed and implemented backend business logic and automation, including Apex triggers, batch jobs, and flows, ensuring reliable data processing.
- **DevOps:** Implemented CI/CD pipelines using GitHub Actions to automate build and deployment workflows.
